AffirmX REGULATORY COMPLIANCE MONITORING

Combining revolutionary, risk-based technology and expertise to reduce the workloads, angst and costs associated with compliance activities

Why choose AffirmX?

Today's complex and rapidly evolving regulatory landscape makes it increasingly challenging for credit unions to manage compliance and keep pace with the demands of tomorrow. Credit unions need guidance that anticipates examiner expectations, mitigates risks, identifies opportunities and provides ongoing risk intelligence support.

AffirmX is the industry-leading compliance solution, providing credit unions with a palette of service offerings that systemizes checks and balances and is essential for safety and soundness. As part of the AffirmX advantage, our panel of compliance experts conducts a thorough analysis behind the scenes by examining internal and external factors, taking your compliance to the next level based on risk. AffirmX's patented technology together with our risk-intelligence analysts will deliver the solution your credit union needs, for far less than the traditional audit and review service.

Progressive technology, delivering scalability and assurance

AffirmX can help your credit union proactively adhere to laws and regulations through patented, cloud-based technology. The

platform draws on internal and external data sources to develop risk-based priorities so you can quickly identify and monitor issues, reduce costs and streamline compliance management practices. By combining user-friendly workflows with expert analysis and a risk-based dashboard, AffirmX helps your team stay ahead of compliance issues covering core functional areas of your credit union including: Advertising/Marketing, BSA, Compliance Management, Deposits, Lending (Consumer and Real Estate) and Operations.

Maximize the power of the full AffirmX package. Customize selections by choosing those risk categories that fit your needs or simply have our team create a single report for you, the choice is yours. When choosing the AffirmX advantage of the full suite of Regulatory Compliance Monitoring, for those credit unions under \$500 million in total assets, the 4-Audit & Special Report Package is included, which is comprised of these industry-mandated audits: *BSA, ACH, SAFE Act and Website Compliance Review.*
